

4

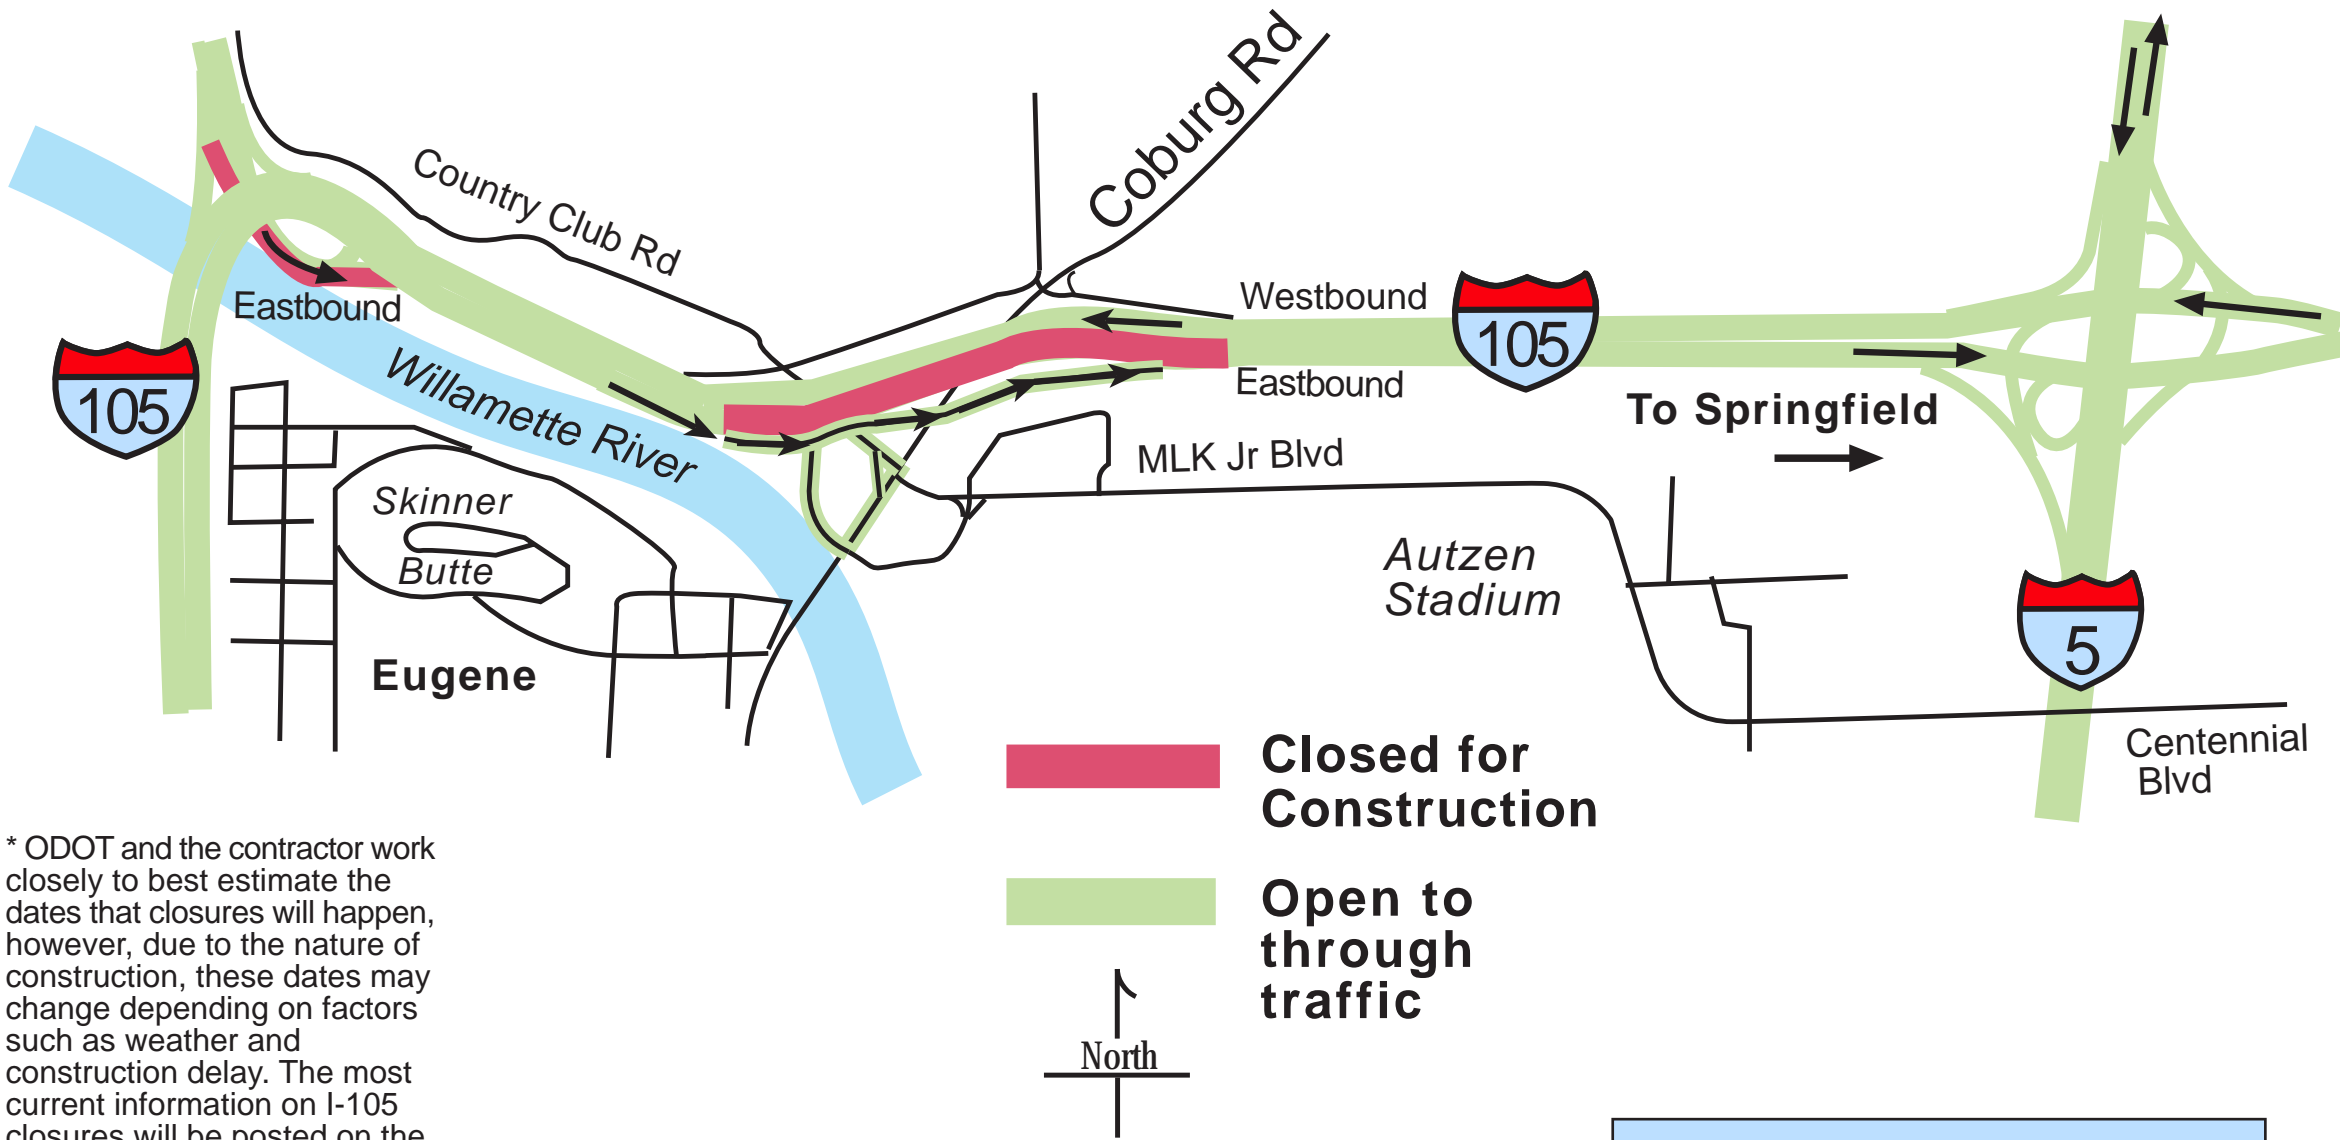

Eastbound Closure over Coburg Rd. Interchange

Target Closure Dates*
 – June 15 - June 26
 – 12 days

Designated Detour:
 Ramp-to-ramp through signals -
 Follow Signs

Suggested Alternate Routes:

- Franklin Blvd.
- 6th St. and 7th St.
- Coburg Rd.
- Harlow Rd.
- Beltline Hwy.
- Goodpasture Island Rd.
- Country Club Rd.
- Delta Hwy.
- River Rd.
- I-5
- Centennial Blvd.

How Traffic Will Be Affected:

- I-105 from downtown Eugene
- * Eastbound travel will be closed on I-105 over Coburg Rd.
 - * Westbound travel from Springfield will be open
 - * Eastbound reentry onto I-105 from Country Club Rd/Coburg Rd on-ramp
 - * Delta Highway southbound ramp to I-105 will be closed
- From I-5
- * All lanes of northbound and southbound I-5 traffic will be open, but expect increased congestion
 - * All I-5 exit ramps onto Hwy126/I-105 will be open

- From Springfield (Hwy 126/I-5 interchange - near Gateway)
- * Westbound lanes on Hwy 126/I-105 will be open
 - * All I-5 onramps will be open

* ODOT and the contractor work closely to best estimate the dates that closures will happen, however, due to the nature of construction, these dates may change depending on factors such as weather and construction delay. The most current information on I-105 closures will be posted on the website on a weekly basis. Please check back regularly.
