

Thanks for your patience

No more closures on I-105!
during the I-105 construction.

That's right. No more stopping. It's **GO** time now.
ODOT will continue working on I-105, but all roads are open.

Work continues on East 11th on LTD's Bus Rapid Transit.
Go to **keepusmoving.info** for more details.

Even with roads open, keep in mind these ways of getting around:

- **Instead of driving alone, carpool**
— Commuter Solutions offers Carpool Matching
- **Take the bus**
- **Work from home**
- **Take a different route or travel at less busy times**
- **Walk**
- **Ride your bike**
