## Ramp closure planned tonight on I-105

EUGENE—The Coburg Road onramp on to eastbound I-105 will be closed only tonight as construction continues on the I-105 Highway Improvement Project.

This evening from 7 to 11 p.m., one lane (still open to traffic) of the Coburg Road onramp on to eastbound I-105 will be closed to merging traffic. Then, from 11 p.m. Tuesday to 6 a.m. Wednesday, both merge lanes at the Coburg Road onramp on to eastbound I-105 will be closed. The closures allow for repaving of this onramp for smoother transition on to the highway.

Currently, the final closure---eastbound I-105 over Coburg Road---is halfway completed. All closures with significant impacts will be finished by June 27.

Motorists are encouraged to visit the web site [www.KeepusMoving.info](http://www.KeepusMoving.info) and to “Find a New Way” both during and after construction. The web site provides information on closure issues, construction updates, provides downloadable files for respective communications about the project and suggests alternative modes of transportation to help reduce vehicle trips each day by using bus, carpool, alternate work and travel schedule, bike, walk, etc. For up to date construction information, please visit the web site [www.KeepusMoving.info](http://www.KeepusMoving.info) or call the City of Eugene hosted Regional Metro Road Report at 541-984-8484.
